 - (M) Denotes dimension measured by field survey
 - Denotes delineated wetland boundary

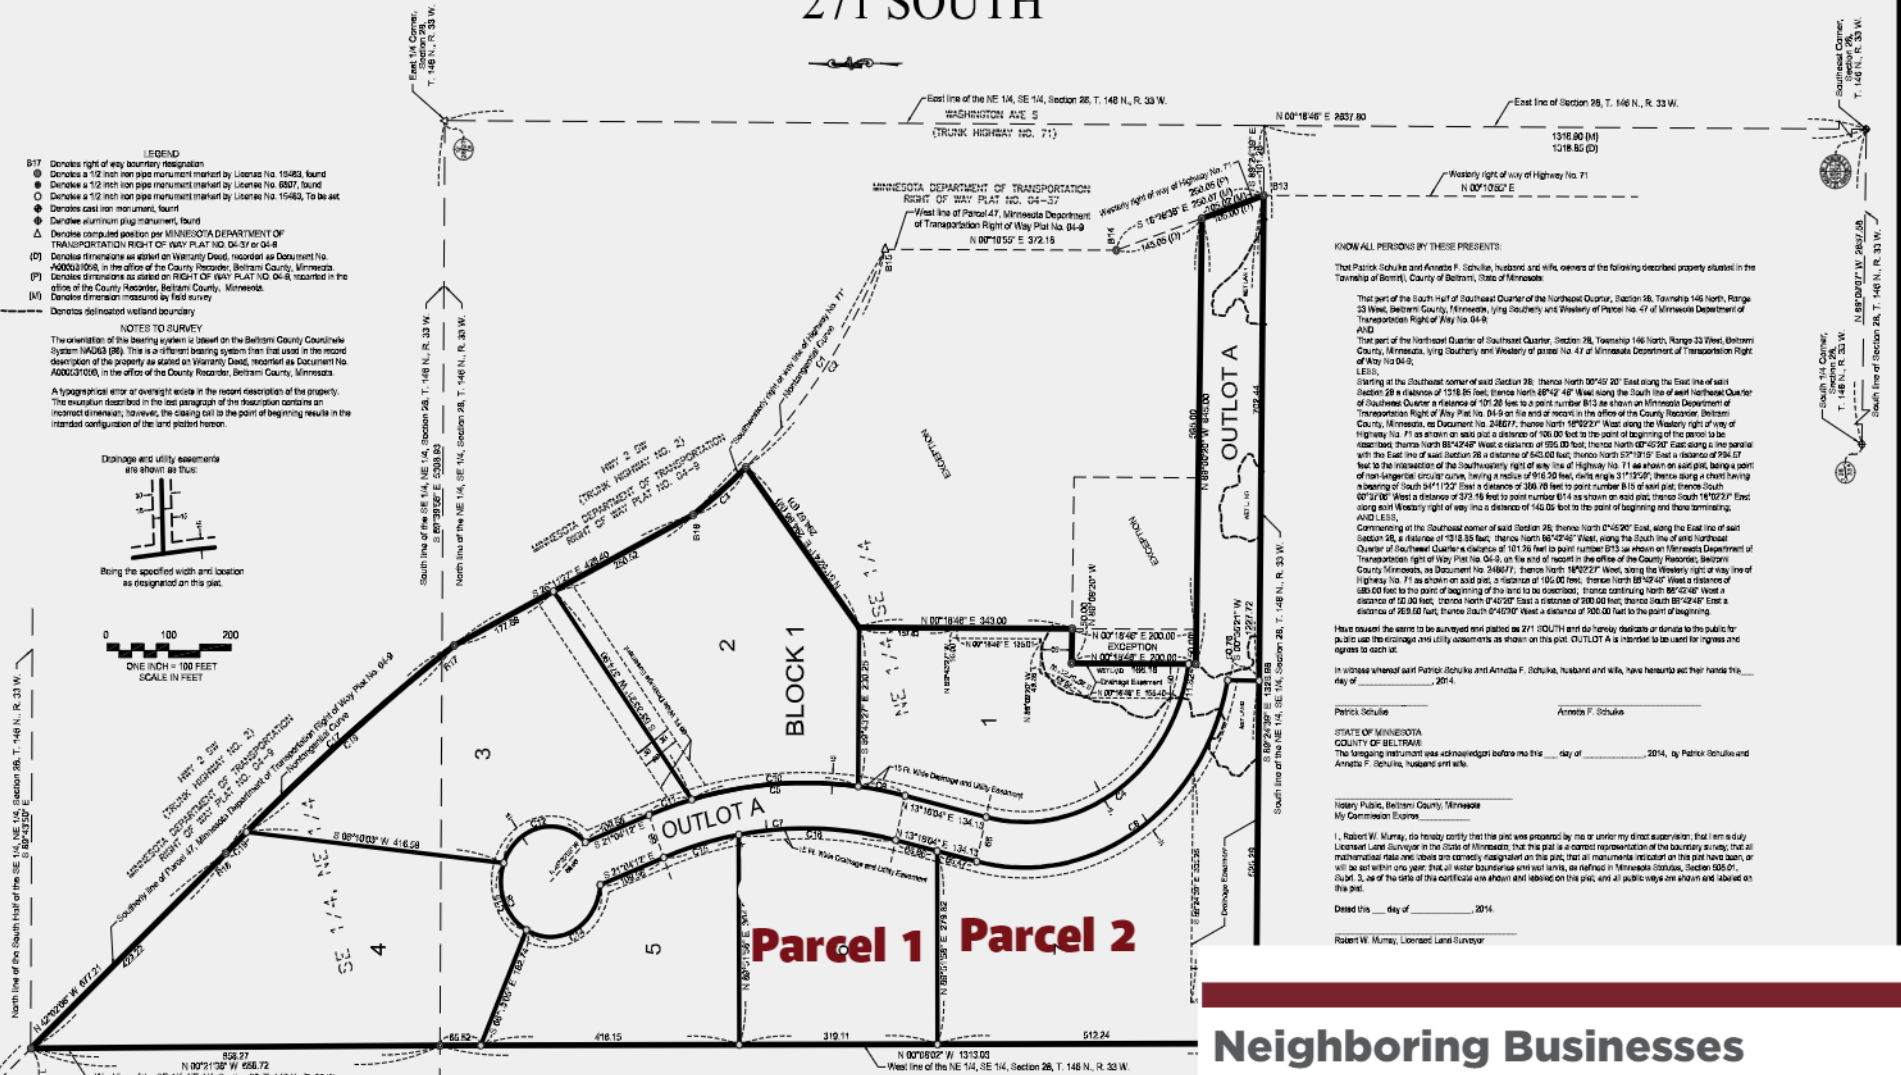

NOTES TO SURVEY
 The orientation of the bearing system is based on the Beltrami County Countryside System (M003 88). This is a different bearing system than that used in the record description of the property as stated on Warranty Deed, recorded as Document No. A60033058, in the office of the County Recorder, Beltrami County, Minnesota.

A typographical error of oversight exists in the record description of the property. The correction described in the last paragraph of the description contains an incorrect dimension; however, the closing call to the point of beginning results in the intended configuration of the land platted herein.

Drainage and utility easements are shown as thus:

Showing the specified width and location as designated on this plat.
